

# Agricultural Industry:

Hydraulic Fittings - High Torque Applications - Torque Multipliers

## Common Applications:

- Axle or Final Drive Assembly
- Transmission Flange
- Hydraulic Lines
- Slewing Bearing
- Drive Shaft Secure
- Motor Mount
- Roll Over Protective Structures (ROPS)
- Track Assembly
- Cab Mount

## Jemms Solutions:

- Restricted Access Fastening
- High Torque Fastening
- Torque Multiplication
- Indexable Tool Adapters
- Virtual Torque and Envelope analysis

## Products Offered:

- Closed End Attachments (Inline, Angular, and Offset)
- Open End Attachments (Inline, Angular, and Offset)
- Whipless Extensions
- Angle Heads
- Torque multipliers
